Join us as we honor the six state senators who helped tenants defeat the rogue Democrats in the “Independent Democratic Conference” who allied themselves with the state senate Republicans to block passage of all pro-tenant legislation for 8 years. These six tenant champions ran spirited, underdog primary campaigns against the IDC turncoats & defeated them last September! Now the state senate is poised to pass major pro-tenant legislation as we approach the June 15 deadline for renewing the state rent & coop conversion laws.

Help Tenants PAC raise money to win stronger rent laws, and to defend these six brave senators from any attacks in next year’s statewide elections.

I/We WILL attend the May 3 fundraiser.

I/We CANNOT attend.

My/our contribution is enclosed for:

- \$5,000 \$2,500 \$1,000
