

v.

THE BREDESEN RECORD:

YES

**TO PLANNED PARENTHOOD,
THE NATION'S LARGEST PROMOTER
AND PROVIDER OF ABORTIONS.**

"I'm not the least bit interested in defunding Planned Parenthood... I've always been there."¹

NO

**TO THE CHOOSE LIFE
SPECIALTY LICENSE PLATE.**

Opposed enactment of the Choose Life specialty license plate which funds agencies providing alternatives to abortion.²

YES

**TO ABORTION FUNDING IN
THE AFFORDABLE CARE ACT.**

Opposed legislation to prevent abortion from being funded in healthcare exchanges.³

After 8 years as Governor, Phil Bredesen's position on abortion is clear. Despite legislative majorities voting to protect the unborn, Mr. Bredesen sought to block them. If elected to the U.S. Senate, his vote would be in support of abortion and Planned Parenthood's abortion industry.

Please use your vote to be a voice for the helpless unborn.

Defend Life.... Defeat Bredesen
