Re: Your Public Records Act Request

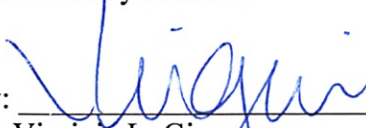

Dear Mr. Combs:

I am responding to your request for public records that you made under the California Public Records Act, which was received by the Butte County Sheriff's Office on August 1, 2016. Please be advised that the Sheriff's Office will respond to your request within the time periods provided in the California Public Records Act (Government Code Section 6250 et seq.).

Because your request involves: "The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request" (Government Code Section 6253(c)(1)); "The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are demanded in a single request" (Government Code Section 6253(c)(2); and "The need for consultation...among two or more components of the agency having substantial subject matter interest therein" (Government Code Section 6253(c)(3)), the County will respond to your request as soon as possible but in no event later than August 25, 2016.

Very truly yours,

BRUCE S. ALPERT
Butte County Counsel
