Re: California Public Records Act Request
Kern County Sheriff's Office
CGF Reference number 2016-CCW-1

Dear Mr. Combs,

I am in receipt of your California Public Records Act request dated July 27, 2016.

The number of applications for Jan. 1, 2014 through July, 2016 is approximately 3416 with each application containing 7 pages.

Kern County duplication policy is \$.75 for the first page of the document and \$.10 a copy for each additional page in the same document.

The estimated cost of production for your request would be $\$.75 \times 3416 = \$2,562$ plus the remaining six pages in the same document would be $3416 \times 6 = 20,496 \times \$.10 = \$2049.60$. The approximate total amount would be \$4, 611.60 plus postage if you wanted the documents mailed to you.

The total cost of duplication would have to be paid in full prior to any duplication taking place.

Last year in response to a Calguns California Public Records Act request the Sheriff's Office duplicated the requested documents prior to payment. In a letter dated July 20, 2015 to Calguns we requested payment for the cost of duplication in the amount of \$305.50. We have never received a response and did not receive payment for our duplication costs. We still have the duplicated documents.
