Re: Calguns Foundation Public Records Act Request

Dear Mr. Combs:

This letter is in response to your request for License To Carry Information. From the Lake County Sheriff's Office:

On August 23, 2016, a response was mailed to you requesting a 14-day extension due to the need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are demanded in a single request.

When the requested, available / disclosable items have been collected, a total amount due will be sent to you. Once payment is received, the request will be processed, and should be available no later than 15-days after receipt of payment.

At the time of the response, records was not aware the volume of responsive records would be 24,000 – pages. At our “Direct Cost of .10 cents per page” This would make the total due \$2,400.00 Payment would have to be received prior to your request being processed.

Due to the voluminous amount of information to be processed, the Records Department anticipates the responsive, available records will be available – 6 Months after payment is received. This new processing time is due to redactions needed to each report, x 1000 reports.

Please submit payment in the amount of \$2,400.00 U.S. Funds
Payable to: LCSO

Please mail payment to: Lake County Sheriff's Office
1220 Martin St, Lakeport, CA 95453

Attn: payment for PRA CALGUNS CCW

A copy of the CCW Application and License to Carry a Firearm Policy – 216 has been included for your reference, at no cost to you. We will keep this request as “Active” for 120-days, to receive payment for processing. If after 120 days has passed with no payment received, this request will be closed. You will have to submit a new request after the request has been closed.

Thank you,
