RE: Request for Public Records (CGF Reference No. 2016-CCW-1)

Mr. Combs,

I have received both of your requests for records. The first one I received on or about August 1, 2016 and the second request was received on August 12, 2016. Due to the fact that we are a very small department and our staffing levels are down, fulfilling your requests in the (1) month time frame is not realistic for us. Our staff is currently working on filling your requests in a timely manner, however much of the information that you requested requires staff to physically go through every file to obtain the information, which as you know is extremely time consuming. For all the reason in which I documented I am in hopes that you will allow us some additional time to fulfill your request. I believe that we can fulfill your request in its entirety by the first of October 2016.

Thank you for your consideration in this matter and if you have any questions please feel free to contact me.

Sincerely,

William "Tex" Dowdy
