Re: Public Records Act Request Dated July 27, 2016

Dear Mr. Combs,

We write in response to the above-referenced Public Records Act request which was addressed to Ian Parkinson, Sheriff-Coroner of the County of San Luis Obispo. Your request was received by this office on August 10, 2016.

Pursuant to Government Code section 6253, subdivision (c), the Sheriff is informing you that it will need an additional 14 days to respond fully to your request due to the need to (1) search for and, if they exist, collect the requested records from a separate storage facility; and (2) possibly compile data not readily available in an existing record. We will need to determine the amount of records identified in your request to provide an appropriate response as to the records we are able to provide, the length of time it will take to compile and any fees associated with responding to your request. We anticipate that we will be able to respond to your request on or before August 30, 2016.

If you have any questions or concerns, or would otherwise like to discuss this matter with me, please do not hesitate to contact this office.

Very truly yours,
