

# Manna Garden Share Application

**Interested in a box of FREE fresh local produce every week?**

**Want to learn how to grow, harvest and cook healthy meals for your family?**

**Presented by:**

The Manna Garden Share is a weekly portion of fresh vegetables harvested from the Manna Garden with additional donations from the Durango Farmer's Market. The Manna Garden Share begins in June and ends in October once the availability of fresh local produce ends. It varies in size from week to week but is somewhere between 5 lbs and 15 lbs. There is always the possibility of a freak snow storm, bear theft, or other natural occurrence that may affect the availability of produce. The Garden Share Program would like to increase the availability of fresh local produce to people who may not be able to afford it on a regular basis. Please feel free to share this application with families that are in need of fresh vegetables.

We look forward to hearing from you and if you have any questions please feel free to email Brooke at: [Brooke@thegardenprojectswcolorado.org](mailto:Brooke@thegardenprojectswcolorado.org)
