

Compost: The Worm Kind

by Greg Hopkins, Veterans Homestead Project

Black Gold: Home Vermicomposting Workshop

Conservation Education Workshop Series

Presented by the La Plata Conservation District and The Garden Project of Southwest Colorado

WORMS: *So what? Who cares? really??* microbes, microbes, microbes

COMPOST: *More than one kind of compost?* wormal, passive, thermal, human, tea

Would you, could you in a box? a great way to spend money on plastic

Not just in a box? in the kitchen or in the ground

Care and feeding of your compost... to do or not to do. That is the question?

So What or Now what???? care and feeding your garden plot (or plotted plant, or depressive tea)

WANT A SEE? Demonstration time

Notes:
