Youth's Name: _____ Date of birth: _____

Supervising Adult: _____

Group Name (if any): _____

I, the undersigned, wish to allow my minor child to volunteer services to the activities of The Giving Spirit ("TGS"), a nonprofit California charitable corporation. The main activity involves the assembly of survival kits for homeless persons in a large community hall in Brentwood and the subsequent distribution of the kits to homeless persons in areas of Los Angeles by rented or private vehicles. Other related activities occur throughout the year. There is no requirement that minors participate in the actual distribution of kits directly to the homeless. By TGS policy, youth are not permitted to participate in any TGS activity without a supervising adult known to TGS as shown on this release.

In consideration for permission by TGS for your child to participate in its activities, I hereby agree to the following:

ASSUMPTION OF THE RISK AND RELEASE

I fully understand and acknowledge that, as with any activity, there are inherent risks and hazards in TGS activities, which may be performed by my child or around which my child may be exposed as a TGS volunteer. 2. I (we), as parent(s) or guardian(s) of the minor, do hereby, for my child and myself, my heirs, executors, and administrators, expressly assume any and all risk, known or unknown, and agree to release TGS for all liability for such risk, including (without limitation) risk of any accident or injury to person or property which my child may sustain in connection with his or her participation as a TGS volunteer or in any TGS-related project or activity.
