

**Welcome to the San Mateo County School Farm run by the
HEAL Project!**

Please contact our Farm Educator, Naomi Stern, for any further
information. **Farm@thehealproject.org**

PARKING & DIRECTIONS

The residents on Bridgeport drive have complained about students unloading in front of their homes. In an effort to be good neighbors, our solution is park all busses and cars at the public park on Bridgeport drive. The best address to use to get to the parking destination is **310 Bridgeport Drive, Half Moon Bay, CA 94019**. Please call our Farm Educator, Naomi Stern, 10 minutes before arriving at the park. She will meet you there and lead your group to the farm. **916-802-6891**

FROM HALF MOON BAY

Travel north on Highway 1 for 4 miles

After stoplight at Capistrano Rd, turn
RIGHT onto Coral Reef Ave

Turn left onto Bridgeport Drive

Continue ½ mile to public park on
right side of Bridgeport. Park in front
of the public park

FROM PACIFICA

Highway 1 south through Pacifica
and Moss Beach

Pass airport and Farmers Daughter
fruit stand

Turn Left onto Coral Reef Ave.

Turn Left onto Bridgeport Drive

Continue ½ mile to public park on
right side of Bridgeport. Park in front
of the public park

GARBAGE POLICY

We have a pack in/pack out garbage policy. We do not have garbage pick up on the farm, therefore we ask that any garbage that comes on to the farm with your group goes home with your group.

CLOTHING RECOMMENDATIONS

Check the weather the day before coming to the farm and dress accordingly. Weather changes quickly, so we encourage layers, hats, sunglasses, sunscreen and water for drinking. Rain boots/rain gear are helpful in the rainy season. Wear clothes you feel comfortable getting dirty in. We will have gardening gloves and hand washing stations available.

CHAPERONE GUIDELINES

The maximum number of chaperones on a field trip with ~30 students (or 1 class) is 6. Field trips with over 30 students may bring up to 9 chaperones. If more chaperones are required for transportation that must be communicated to the Farm Educator. Chaperones are allowed to bring one younger sibling who is monitored by their parent at all times. Younger siblings must also have signed liability waivers. If younger sibling is a distraction to the class the Farm Educator may request them to leave the field trip.

Chaperones are expected to be positive role models, assist the Farm Educator as needed, and refrain from cell phone conversations during class.

PROHIBITED ITEMS

We are on a commercial farm located near a neighborhood. In order to continue offering programming in the future, we ask that everybody follow the rules below:

- No dogs on the farm. If someone in your group requires an aide dog, let us know ASAP.
- No smoking on the farm.
- Please refrain from talking on your cell phone during the trip. If you need to use your phone, please step away from the group.

CANCELLATION POLICY

If field trip needs to be cancelled the Farm Educator will do their best to reschedule the field trip. If rescheduling does not work then Farm Educator will refund field trip fees.
