What San Francisco street/intersection would you choose for an epic street party and why?

Sloat at the beach - great natural area, solid public transportation but only people who really wanna be there will be there, and you can get loud and only bother some nearby animals at the zoo...

Please list the 3 endorsements you are most proud of:

What are the top three issues you will work on, and how will you implement solutions in a timely manner? (1250 character limit)

Affordable family housing - we need more multi-bedroom housing at all price levels
Responsive city hall - MTA and PUC need to get back into the sunlight and have more transparency and political/public oversight
Traffic and Pedestrian safety - the Sunset and Parkside neighborhoods are afterthoughts in vision zero implementation and we need more outreach to our community to find fast solutions to serious problems

What for-profit or non-profit boards do you serve on, including political organizations?

None. I am a former board member of the Inner Sunset Park Neighborhood association

What local and state commissions and policy bodies have you served on -- currently or in the past?

Pedestrian Safety Advisory Committee, Parks Recreation and Open Space Advisory Committee

Do you support congestion pricing for the downtown core? Yes

In the wake of the controversy around SB 827, would you propose any rezoning or other policy changes to increase housing -- particularly affordable housing -- while protecting against displacement of current residents?

Displacement is a serious concern - no demolitions or evictions in the name of density. I am a firmly YIMBY candidate - we need more housing. We can't build our way out of the affordability crisis, but we do have to build.
