Priorities

Please list the 3 endorsements you are most proud of

Sheriff Vicki Hennessy Deputy Sheriff's Association State Senator Scott Wiener

What are the top three issues you will work on, and how will you implement solutions in a timely manner? (1250 character limit)

We need to ensure that our facilities are properly staffed to ensure the safety and comfort of those in our care through increased recruitment and sensitivity training efforts. I support increasing the opportunities that ensure those in our custody receive the best care possible. recruitment and sensitivity training that ensure those in our custody receive the best care possible, as well as continuing programs like electronic monitoring so that those in our custody have the freedom to continue their lives while awaiting trial. Ultimately, the Sheriff's Department needs to ensure that we have the resources necessary to keep our community safe. Under my command I am proud to be the first to have implemented the use of body cameras. I will continue to change our culture so that deputies understand cameras are needed for the safety of those in our care to ensure transparency in actions taken by staff. Currently, there are many blind spots of mounted cameras in many of our jails. In order to counter this, improving the infrastructure is one of my first priorities. After spending 24 years in the department, I have extensive knowledge of where these spots are and believe they need to be corrected for the safety of those in our care.

Do you support decriminalizing all drugs, why or why not, and if so, what steps would you take to accomplish that?

No.

How would you reduce the SF jail population, including reducing the extreme racial disparity in the jail now?

I would like to expand our electronic monitoring program so that more can benefit from access to resources in the community.
