County Farm Bureau

If you are involved in an actual farming/ranching operation, please complete. We are seeking to build a more complete information base from which we can work at better addressing the needs and interests of our agricultural producers...check as many as apply.

Cow/Calf Feeder Cattle Sheep Hogs Dairy Horses Alfalfa

Seed Crops Grains Potatoes Onions Garlic Corn Sod

Sod Nursery Crops

Other

Farm Bureau is organized to develop, promote and protect programs for the general welfare, including economic, social, educational and political well being of farm people and to cooperate to this end with other organizations, institutions and agencies both private and public, and legislative or administrative bodies charged with the responsibilities of enacting or administering laws affecting agriculture.

I am interested in promoting these objectives and I hereby apply for a membership in the Farm Bureau, which is renewable annually. Membership is non-refundable.
