

**Astrid Roubicek**

Business Systems | Office Manager

*“For me, working for Conservation Management is all about supporting the team - a group of inspirational, intelligent people who are endeavouring to make lasting and sustainable impact in an ever-changing environment.”*

Astrid has a diverse skillset and knowledge base which she brings to the Office Manager role. Astrid’s skills include Human Resource Management, along with administrative support, design and photography.

Astrid’s role in Conservation Management allows her to work with local and remote teams utilising current online technologies. Astrid supports the Conservation Management teams to build the governance, communication and fundraising capacity of clients.

Astrid supports:

Building governance capacity of clients | communications projects | fundraising research and opportunity identification
