

Anton Ingarfield

Miradi Mechanic / Planning / Policy Development

“I gain a great deal of satisfaction from helping Indigenous land managers achieve their visions, goals and aspirations.”

Based in Glen Huon, south of Hobart, Anton has worked for nearly twenty years in environmental education and park management roles on the NSW North Coast. He is passionate about Indigenous land management and cultural landscapes, as well as the dynamics of vegetation communities.

Anton has qualifications and skills in planning for protected areas, Anton has specialist knowledge in forest ecology, geomorphology and human sciences.

Anton specialises in:

Miradi support services | evaluation and reporting for landscape conservation and healthy country programs
