

## Hamish Morgan

Regional Coordinator

*"I love working with groups to empower people, country and culture. I'm all about groups finding their own priorities, goals and solutions and using these as the basis for making long-term impact"*

Based in Geraldton, Western Australia, Hamish has over 20 years' experience working in land-based community development and is passionate and dedicated to supporting Indigenous groups to maximise the use of their country and culture for social, cultural and economic benefit.

Hamish has expertise in community participatory planning, land management planning, implementation and development, strategic and organisational planning, Prescribed Body Corporate (PBC) engagement and development, multi-partner project development, cross-cultural facilitation, workshop facilitation and Indigenous capacity building and training makes him a valuable member of the Conservation Management team.

Hamish specialises in:

managing development and implementation of strategic and organisational plans | leading, developing and mobilizing teams | partnerships management | project design and management |
