

## **Afaal's 20 Codes of Conduct**

**1. Human values prevail on all other considerations**

You shall always show solidarity and act towards social unity.

**2. National interest is the only constant.**

You shall build every thought upon it and place it above everything else.

**3. Communication is the only way to move forward.**

You shall remain respectful while stating your opinion.

**4. Honesty is key.**

You shall avoid any conflict of interest and stay honest towards yourself and others.

**5. Ethics.**

You shall use SF Electronic platform in a thoughtful and decent manner. It is meant to be a tool to facilitate work, not to manipulate or expose.

**6. Results oriented.**

You shall fully be responsible of accomplishing the entrusted tasks.

**7. Promote citizenship.**

You shall eradicate the principle of sectarianism by applying that of citizenship on all tasks.

**8. Diversity is a fact, inclusion is a choice**

You shall not discriminate but instead respect the diversity of other members and remain open to their differences.

**9. Respect of assets.**

You shall not trespass, tamper or vandalize private or public property

**10. Boundaries are set by the other party.**

You shall not commit any act of harassment.

**11. Reform is progress.**

You shall respect all rules, regulations and procedures and seek to update them when needed.

**12. Collaboration is key.**

You shall always be ready to help other members and give genuine guidance.

**13. Every member is a unique individual.**

You shall respect and protect his/her rights and privacy.

**14. Every member is an asset.**

You shall deal fairly with people in general, and your fellow members in particular.

**15. Integrity is required in all endeavors.**

You shall be transparent in all issues, most importantly those related to profit and gain (Money, gifts, etc.).

**16. Innovation is achieved through constructive opposition.**

You shall always acknowledge and respect other members' right to disagree

**17. Modesty propels higher.**

You shall use personal privileges to help others, not to influence them.

**18. Set the example.**

You shall not abuse of your position to make personal, material, or moral profits

**19. Democracy is a healthy competition.**

You shall acknowledge and vouch for the democratic process and accept victory or defeat (Especially while performing or taking part in any electoral process).

**20. Appeals committee's decisions are final.**

You shall not intervene or challenge them.
