Dear [REDACTED]

This is in regard to your access request, received by the Privy Council Office on November 15, 2021, for the following information:

“Provide copies of any analysis done on the economic and other impacts of increased immigration to Canada on issues such as housing prices, housing availability, wages, etc., since January 1, 2018.”

At the present time, meeting the original time limit of 30 days would unreasonably interfere with operations. Further, we have found it necessary to undertake a consultation process. As a result, an extension of up to 150 days beyond the 30-day statutory deadline is required to complete your request. The new legislative due date for your request is **May 14, 2022**. Should the consultations be completed in a shorter timeframe than specified, we will endeavour to respond to your request before the due date.

Please be advised that you are entitled to bring a complaint regarding the processing of this request to the Information Commissioner (30 Victoria Street, Gatineau, Québec K1A 1H3). The *Access to Information Act* allows a complaint to be made within sixty days of the receipt of this notice.

Yours sincerely,

**Farley,
Patrick**
