 - Uncollected boxes will be donated to a worthy cause

Submitting this form means you agree to the following terms and conditions:

This fruit and vegetable box ordering system is only available for current members of the Thoughtful Foods co-op.

You must submit your order in the shop and **pay in full by 5pm Tuesday**. Failure to do so will result in your order not being processed. • Boxes do not attract a volunteer or member discount. • Use one form per box • Specific item requests cannot be taken into account; instead, you are encouraged to use the swap box to exchange unwanted items. • Your **box must be collected by 6pm Thursday**. If you have not collected your box by this time, you agree that your box may be given to a charity or other cause. • **The swap box is an exchange**: you must give to it in order to take from it. • For more information, ask a co-ordinator or volunteer. • The system cannot run without your continued support: volunteering, using your own shopping bags to collect your order, filling out this form clearly and bringing correct money is integral to the viability of the system.
