Submitting this form means you agree to the following terms and conditions:

- This fruit and vegetable box ordering system is only available for current members of the Thoughtful Foods co-op.
- You must submit your order in the shop and pay in full by 5pm Tuesday. Failure to do so will result in your order not being processed.
- Boxes do not attract a volunteer or member discount.
- Date of order must be written clearly in the date area of the form.
- Maximum one box per member per week; however one fruit-only or one vegetable-only box may be ordered in addition to a mixed box (use one form per box).
- Specific item requests will not be taken into account; instead, you are encouraged to use the swap box to exchange unwanted items.
- Your box must be collected by 5pm Thursday. If you have not collected your box by this time, you agree that your box may be given to a charity or other cause.
- The swap box is an exchange: you must give to it in order to take from it.
- The Veggies for Vegies system is implemented over the summer (and sometimes winter) break. For more information, ask a co-ordinator.
- The system cannot run without your continued support: volunteering, using your own shopping bags to collect your order, filling out this form clearly and bringing correct money is integral to the viability of the system.
