I am honored to be serving as your president of the Thurston-Mason County Medical Society. It was the immediate past president, Dr. Dan Stein, who first invited me to join as a resident and showed me the power of the group. I then started serving on the board as the resident member and then as a young physician. Under his leadership and those who preceded him, Dr. Ken Lee and Dr. Bob Lang, I have witnessed the process of moving an idea from a resolution to a law, as evidenced by the recent Maintenance of Certification act that was signed into law by Governor Inslee. I have also witnessed how we, as physicians, can give back to our communities and promote health through fundraising and financial support for local organizations.

For those who don’t know me, I am originally from the Portland metro-area in Oregon. I have studied and/or lived in California, Oregon, Washington, Japan, South Africa, and Poland. I attended medical school in Poland at the Poznan University of Medical Sciences before moving to Olympia for residency at Providence St. Peter Family Medicine. Since graduating, I have chosen to stay in Thurston County and have started my practice at Yelm Family Medicine. In addition to practicing the core of family medicine, I have special interest in OB, medically assisted therapy for opioid addiction, and LGBTQ health care including full spectrum family medicine for transgender patients.

As a genderqueer or gender non-conforming physician myself, I bring diversity and a unique eye to the TMCMS board. Medicine is changing both inside and out, from the increasing diversity among physicians to the laws, corporate structures and care organizations of which we are a part. The exciting part is that we, as a medical society, have some influence on how things are changing on the local and state levels through advocacy and policy.

My goals this year are to provide CME opportunities that are interesting and thought provoking that apply across all fields of medicine, to continue to advocate for increased quality and access to healthcare, as well as supporting policies that protect physician rights and autonomy.

I look forward to serving as your president and, as such, I am open to your feedback, concerns, and ideas. We welcome guests at our monthly board meeting and strive to be a transparent organization. Come, join us, and together we can support the health of our community and celebrate this wonderful practice of medicine.

Chelsea Unruh, MD
President, Thurston-Mason County Medical Society
Introducing Gamma Knife® Icon™. Now available in Tacoma.

Gamma Knife is the Medicare-approved alternative to open surgery for benign and metastatic brain tumors, trigeminal neuralgia, essential tremor, arteriovenous malformations and acoustic neuromas.

The latest generation of Gamma Knife technology, the Icon frameless option with thermoplastic mask allows fractionated treatment, offering greater patient comfort and increased flexibility in scheduling. Only Gamma Knife is uniquely designed for intracranial targets and provides full cranial reach.

Local consult available in Olympia. For patient referral or a list of credentialed, experienced physicians, call (253) 284-2438 or toll-free (866) 254-3353.

Helping improve patient lives since 2005.

South Sound Gamma Knife at St. Joseph

Located in the St. Joseph Medical Pavilion
1802 South Yakima, Suite 103
Tacoma, WA 98405
SouthSoundGammaKnife.com
Established in 1889, the Thurston-Mason County Medical Society has grown to include over 400 practicing physicians.

The Society’s mission is to:

• Promote the art, science and practice of medicine, and the practitioners who pursue these goals
• Protect and improve the health of the public
• Provide leadership for its membership

The Thurston-Mason County Medical Society (TMCMS) is a constituent of the Washington State Medical Association (WSMA) and the American Medical Association (AMA).

Make your company stand out while supporting your association so they can change your industry for the better!
Medical Society Activities

By participating in local, legislative, and educational activities, members can achieve goals through the Society they otherwise might not.

Community Liaison
The Society and the State Medical Association act as liaisons between organized medicine and the South Sound community. They represent local physicians before county, city, state and federal groups, elected officials, and the public.

Advocating Your Position
The Society and the WSMA give you a voice in the legislative and policymaking process in Olympia and Washington, DC. Effective lobby and legal staff work hard on your behalf on policy and regulatory processes confronting medicine today.

Education
The Society sponsors educational programs in the following areas:
- Practice management
- Practice enhancement
- Health care political topics
- Liability concerns
- Public health issues

The Society also sponsors charitable fundraisers throughout the year for organizations that directly benefit the health and well-being of Thurston and Mason counties.

Membership Events
The Society hosts several membership events throughout the year, including:
- Member and non-member social/outreach events with informational presentations
- Annual membership dinner and program
- Dinner and a CME events
As a member of the WSMA/TMCMMS, you are part of the most powerful organization in the state representing organized medicine. There are over 11,000 members statewide.

**General Membership Meetings and Social Events**
The Society holds 3–5 general meetings throughout the year and several social events, featuring speakers of social, economic and legislative interest.

**Grievance Mediation**
TMCMS Grievance Committee assists patients and member physicians in resolving fees and services complaints.

**Insurance Program**
Professional liability insurance, underwritten by Physician’s Insurance—A Mutual Company, is available to members at a $300 discount.

**Legal Expertise and Contract Guidance**
Through affiliation with the WSMA, members have access to staff attorneys for professional inquiries by phone or email. Employment contract resources are available at WSMA.org.

**Newsletters**
Frequent newsletters communicating activities and issues of importance to physicians from TMCMS. Plus, from the WSMA, a twice-monthly Membership Memo e-newsletter and the flagship publication, *WSMA Reports*, printed six times/year and mailed to members.

**Patient Awareness & Community Education**
Access to numerous free patient educational materials, highlighting programs and services addressing many public and social health issues.

**Political Representation**
Our professional, administrative and lobbying staff are available to you year-round. Critical issues affecting physicians and patients are being decided in the Legislature, the Governor’s office, state agencies, licensing boards, and judicial branch. A strong representation at all levels ensures organized medicine’s “place at the table.”

**Referral Service**
Over 30 calls per month generate referrals to members’ practices.
Other Benefits

Discount programs
- WSMA saves members money through a variety of vendor discounts including EHR services, car rental, and more.

Physicians Insurance—A Mutual Company
- TMCMS/WSMA-endorsed professional liability insurance (most TMCMS members qualify for a $300 discount off of their premium). Disability income, disability overhead expense, disability loan obligation, long-term-care, and life insurance available—many with discounts that vary by product.

MACRA
- Let the WSMA help you and your practice cope with the dizzying pace of change as efforts to move physician payments from volume to value continues. Visit www.wsma.org for a full list of resources.

Discounted prescription pads
- Discounts on prescription forms, including secure marijuana forms, from Rx Security for WSMA members. Rx Security has been a leading supplier of counterfeit-resistant prescription pads since 1989. For more information and to place an order, visit www.rxsecurity.com/wsma.

Debt collection
- Quick Collect, Inc., a Washington/Oregon agency, specializes in collection of delinquent healthcare accounts. QCI is a licensed, bonded and insured agency.

Records Management
- Spectrum Information Services Northwest (SIS NW) offers easy and affordable solutions that reduce the expense and liability risks of managing your patients’ records. SIS NW can assume custodianship of all records, reducing your risk of HIPAA violations. Patient records are stored electronically in a HIPAA compliant secure repository. Records requests are fulfilled quickly and professionally. A one-time payment covers all future releases, and protects you from rising storage costs. All records requests are tracked electronically with a complete audit trail. With offices in Seattle and Portland, SIS NW can relieve this considerable burden.

Discounted car rental
- Save up to 25% off on car rental with Avis Worldwide Discount (AWD). Rates vary by location.
To be eligible for membership in the Thurston-Mason County Medical Society/Washington State Medical Association, a physician must:

1. Possess the degree of Doctor of Medicine or Doctor of Osteopathy from a teaching institution approved by the American Medical Association;

2. Be currently licensed to practice as a Doctor of Medicine or Doctor of Osteopathy in the State of Washington;

3. Maintain a practice, or be retired, and reside in Thurston, Mason or a neighboring county; and

Membership is open to Physicians and Physician Assistants.

We look forward to welcoming you as a member!
