CBD Breakfast – 12 September, 2014

Friday 12 September
7am-8:45am
Queens Park
George Street, Brisbane City

Come and join public servants for a chat, a coffee and a breakfast snack to raise awareness about the need for fair pay for all.

Bring a friend and get them involved in the fight for fair pay. It's time for the Premier to deliver fair pay for all – not just for politicians. Hardworking public servants deserve a government that keeps its promises.

Pssst- union members receive a voucher for a free coffee when you RSVP to fairpay@together.org.au
