OPEN WATERS - OPEN DOORS

Summer 2021

Join the crew of the TS Playfair for a summer voyage and experience life on a tall ship!

Get to the Point

July 2 - July 7 — **Port Colborne to Windsor** — **$800 + HST**

Lake Erie is home to two famous 'points', the marine term for an extended peninsula of land. On this voyage you'll see them both: Long Point and Point Pelee. Leaving from Port Colborne, we'll head west crossing the entire length of Lake Erie. We'll break up the journey with a stop at Pelee Island and wave at Middle Island, the Southernmost piece of land in Canada before heading up the Detroit River to Windsor.

Blue Water Sailing

July 10 - 16 — **Sarnia to Goderich** — **$960 + HST**

Setting sail from Sarnia, we pass under the Blue Water Bridge - so named because it describes the beautiful expanse that opens up before us. As we head North towards Manitoulin Island the magnitude of Lake Huron becomes evident. This is one of the few places in the world where you can be surrounded by fresh water and not see land in any direction!

Georgian Bay Journey

July 18 - July 27 — **Port Colborne to Windsor** — **$1440 + HST**

Departing from historic Goderich, we sail north over the Bruce Peninsula to enter Georgian Bay. As we round the peninsula, we'll have the opportunity to explore some of the North Channel's many secluded bays and inlets. Next, we'll set sail to make our way south down Georgian bay, stopping in at a few ports along the coast, before finally arriving in beautiful Parry Sound.

The 30,000 Island Tour

July 29 - August 5 — **Parry Sound to Collingwood** — **$1120 + HST**

After leaving Parry Sound, we'll find ourselves in the southern end of the 30, 000 Islands that form the world's largest freshwater archipelago. With the 30,000 islands as our backdrop, we'll sail south, stopping to explore anchorages along the way. Passing the famous island's of Beausoleil, Giant's tomb and Christian Island, we'll enter Nottawasaga bay to reach our destination in Collingwood.

Georgian Bay Express Sails (A,B and C)

August 9 - 11, 12 - 14, 15 - 17 — **Start and End in Collingwood** — **$320 + HST**

A perfect opportunity to experience life on a tall ship in a compact 3 day format from well-connected Collingwood. Spend a night at sea, learn the ropes and meet new friends on the waters of Georgian Bay. If you love it, book on board one of our longer courses (space allowing).

Back Over the Bruce

August 19 - 27 — **Collingwood to Kincardine** — **$1280 + HST**

As Playfair begins the return journey to her home in Lake Ontario, we'll depart Collingwood and head north along the east coast of the Bruce Peninsula. At the top of the peninsula, we'll make our way through Fathom 5 Marine Park, passing the famous "Flowerpots", before altering our course south as we enter Lake Huron. After a couple days of sailing, we'll arrive at the sheltered harbour and sandy beaches of Kincardine.

Leaving Lake Huron

August 29 - September 3 — **Kincardine to Sarnia** — **$800 + HST**

In the final weeks of the summer, we'll enjoy some last days of sailing on the open waters of Lake Huron. Leaving from Kincardine, we'll set sail to head south towards the mouth of the St. Clair river. After a week out on the water, with a few stops at ports along the eastern coast, we'll reach our destination in Sarnia, just beyond the Bluewater Bridge.
