

Let's support young people worldwide calling for real climate action.

Let's reject short-sighted policies that won't solve the climate crisis - and politicians who want to take us backwards.

**THERE ARE NO JOBS ON A DEAD PLANET.**

We can have good jobs, healthy communities and a sustainable economy.

**IT'S YOUR CHOICE.**

## WE NEED CLIMATE ACTION – NOW!

The evidence of climate change – fires, floods, heat waves and droughts – is everywhere across the globe. If we care about the kind of world our grand-children will live in, we need to make the transition to a low-carbon economy.

But conservative politicians are gutting programs urgently needed to reduce carbon emissions. We all need to challenge that irresponsible behaviour. Failing to act on climate change now means **we'll pay much more later** – in so many ways.

We can have good jobs and a sustainable economy – find out how:
