Ravine Creek

The Thames Talbot Land Trust (TTLT) is hosting two public hiking tours of Wardsville Woods in May to raise awareness about the property and the land trust's campaign to purchase and restore this 50 acre woodland/ravine property. Wardsville Woods includes the former Highlands Golf Course just west of Wardsville.

Please join us to walk the property, learn about the local plants, trees, birds and other wildlife, and the opportunities for restoration and nature trails. Naturalists and foresters will be on hand to share their knowledge.
