## **Midterm Elections Critical to Labor and TWU**

TWU Local 234 has endorsed candidates for the upcoming mid-term general election on Tuesday, November 4, 2014. The candidates selected at the state and federal level are all supporters of working people. In the face of an anti-union U.S. Congress and Tea Party influence in the Pennsylvania legislature, we need pro-labor elected officials to enable us to defeat a number of anti-union bills pending in the Pennsylvania legislature. Of particular importance is the gubernatorial election between Tom Corbett and Tom Wolf. Corbett is no friend of labor and he has done nothing to assist Local 234 either legislatively or in dealing with contract negotiations with SEPTA. Wolf wants to help, but he needs a big turn-out in Southeastern Pennsylvania to win. We urge our members and their families to vote for Tom Wolf and the other candidates listed below. Our jobs and standard of living depend on it.
