## **DEADLINE FOR CONTRACT SURVEYS EXTENDED TO MARCH 31, 2016**

With contract negotiations already underway over pension reform and the cost of health benefits, the issues being negotiated must now be extended to include other matters important to the members. That's why the Union originally set a deadline of March 7, 2016 for the return of the contract surveys, which will determine the Local's priorities at the bargaining table.

Unfortunately, while the Union sent the contract survey to the printer in early February, due to several delays at the print shop, it got mailed too late to maintain the March 7 deadline. As a result, the deadline for returning the contract surveys has been extended to March 31, 2016. Let your voice be heard. Fill out and return your contract survey soon.
