DON'T JUST COMPLAIN---VOTE

Let's Get Out and Vote in Pennsylvania Primary

The upcoming Pennsylvania Democratic Party primary on Tuesday, May 16, 2017 includes several contests important to labor, civil rights and criminal justice reform. With working class people and constitutional rights under attack from the White House to the Department of Justice to State government, we have to recognize the critical role that the District Attorney and the judges shaping our judicial system from the bench play in protecting our rights.

Local 234 urges you to get out and vote next Tuesday, May 16 and we ask you to support the following candidates:
