Get Out and Vote November 5

The election for mayors, city councils, state and local representatives, and judges on Tuesday, November 5, 2019 includes contests that are important to labor in general and Local 234 in particular. With the economic and political rights of working people under attack, electing the right people can help protect our jobs. Anti-labor candidates are trying to expand their power. We can't let that happen. Local 234 urges you to vote on Tuesday, November 5 and asks that you vote for and elect:
