Contract Survey Posted on Union Web Site

The TWU-SEPTA contracts with the City, Suburban, and Frontier bargaining units are set to expire on October 31, 2021, November 19, 2021, and November 24, 2021 respectively. Negotiations for new contracts will begin in late July.

Local 234's bargaining team needs to know what your issues and priorities are for a new contract. As in the past, we have developed a contract survey that will be used to develop contract proposals and identify priorities when choices have to be made at the bargaining table.

This year's survey is being posted on the Local's web site. You can go to the site, print, fill out and return the survey, or you can fill it out and submit it directly from the site. If you elect to print your survey, you can drop it off at the Union Hall or mail it back. All surveys should be returned by July 26, 2021.
