

Psalm 149 (Halleluyah)

Halleluyah
Shiru Ruach
Shir hadash t'hilato
Biqal hasidim¹

Halleluyah
Sing a new song
Praise the name of the source that made
The earth and moon and sun

Praise the One with dance
With tambourines and harps
The kind of song the spirit sings along to
Overflowing from the heart

The world was created
And we're creating it still
Jah crowns and beautifies the meek
And we will see Jah will fulfilled

*With your praises in our mouth
And in our hand a double-edged sword
We'll give kings their just reward
The nobles are bound to be bound*

Halleluyah...

¹ English Translation:

“Praise Jah
Sing to the Spirit
a new song, and praises
in the assembly of saints”
