

psalm 33 – sing out a new song

sing a new song,
sing out with joy unabated,
sing praises to all
that is real to
all that is true
to all that
endures.

sing out your praise to
a reality both within and
beyond, to a power
far greater, to the life of
all worlds.

and let all nations sing
to the true source of
their strength,
to the blood that
connects all peoples,
to the source of all
that breathes.

sing an anthem of allegiance
to a force more powerful
than the mightiest army,
sing with the hope that
survives even amidst the
moments of darkest despair, then
in your final, cracked
breath sing your song
of praise.
