Definitions							
Access Restrictions	<i>Communities that are implementing some sort of system to control access which may include security checkpoints, and varies between communities. Does not necessarily signify that access to a community is completely closed.</i>						
State of Local Emergency (SOLE)	<i>A declaration made by authorized representatives of a First Nation to indicate that an emergency that exceeds community capacity exists. This may or may not be in the form of a Band Council Resolution or other notification, and usually identifies the nature of the emergency as well as the duration of the declaration.</i>						
Emergency Operations Centre (EOC)	<i>An temporary organization/structure that comes together during an emergency to coordinate response and recovery actions and resources.</i>						
Inaccessible	<i>The office is completely closed to the public - ie. no regular walk-ins nor appointments.</i>						
Appointment Only	<i>The office is available to the public on a case-by-case basis and only via appointment. No walk-ins.</i>						
Fully Accessible	<i>The office is fully accessible to the public. Business as usual.</i>						

*SOLE numbers have been updated to reflect a change in the method of data collection. This data is received from Emergency Management B.C as it becomes available.
