Thank you again for joining me, Parliamentary Secretary Singh, and ministry executive alongside Rightsholders, education partners and community organizations at the 2nd Annual Minister's Community Roundtable on Anti-Racism in Education on July 15, 2021.

We have prepared a summary of what we heard from you at the roundtable and in follow up emails. We hope that you see your voices and messages reflected in these notes. We continue to welcome feedback from each of you. If there are any key points missing for you, or if you have further comments, please send your feedback to EDUC.StrategicPriorities@gov.bc.ca.

I have also attached a summary of the draft action plan as I presented it during the roundtable. Please know that we will continue to review and revise the draft plan based on your feedback. A revised copy will also be provided at a later date. We are also committed to ongoing communication and engagement in different forms throughout future planning and implementation.

Some of you requested contact information of other roundtable participants. With your permission, we are happy to create a list of contacts to share. If you would like to have your information shared with other participants, please email EDUC.StrategicPriorities@gov.bc.ca with your name, organization, title, email address and/or phone number by October 8, 2021. We will put together a list of everyone we hear back from and share by email.

Again, I very much appreciate your commitment to creating a safer, more inclusive provincial education sector and look forward to continuing this important work with you.

Sincerely,

Jennifer Whiteside
Minister
