

# Individual & Corporate Income Taxes as a Percent of Federal Revenue

*Taxes have shifted from corporations to individuals.*

Source: Office of Management & Budget, Table 2.2 - Percent Composition of Receipts By Source  
<<https://www.whitehouse.gov/sites/default/files/omb/budget/fy2016/assets/hist02z2.xls>>.

Note: Additional sources of federal revenue include social insurance payments, excise taxes, etc.

■ Corporations  
■ Individuals
