

Manifesto:

Franks is the future
Vote Jodie for 21/22

Who I am:

Hi! I'm Jodie. I'm from London, and am studying Classics at Leeds. I am currently part of the UJS national council and serve as a trustee for UJS. I am enthusiastic about everything I want to do as president, and here are just a few of my ideas for the coming year.

Fresher engagement:

- Create a nationwide buddy scheme to support friendships and professional relationships between Jewish students on different campuses
- Hold a Nationwide virtual freshers event to engage new students in UJS and Jewish life on campus.
- UJS staff to have virtual drop in times for all students

Inclusion:

- Encourage creation of quiet rooms and accessible spaces at Jsoc events
- Incorporate the suggestions of the 'Commission on Racial Inclusivity in the Jewish Community' to make UJS welcoming to Jews of all races
- Have designated tables at FNDs/events for students who want to branch out and make new friends
- Don't let small Jsocs fall between the gaps! Take advantage of online events to bring campuses together

Israel:

- Work with organisations in Israel to organise a "Israel webinar", facilitating group conversations for students with different views regarding Israel
- Continue to push universities to adopt the IHRA definition of antisemitism
- Encourage Jsocs to publicly mark Israeli calendar events such as yom hazikaron and yom haatzmaut

Judaism:

- Create a UJS recipe book for FNDs, with recipes from students of all backgrounds
- Publish a guide for Jsocs on how to run successful interfaith events

- Develop the relationship with UJC, Marom and PJS to help all students have the resources they need to hold events
- Work with Keshet to educate students to become more supportive of LGBTQ+ Jews, including religious perspectives
