

TRUSTEE RECRUITMENT

The UJS Board is looking to recruit a creative and self-driven individual to join the Trustee Board and help build a network of alumni

For over a century, the UJS has been leading, defending and enriching the lives of Jewish students on campus. There are 8,500 Jewish students at university in the UK and Ireland. As a Trustee of UJS you will be able to play your part in supporting these Jewish students to have a fulfilling Jewish university experience, in whatever way they choose.

As a Trustee you will have an opportunity to be part of a dynamic and ambitious organisation, to work alongside an energetic, driven and exciting team, and play a role in developing our current students and future communal Jewish leaders.

With UJS' centenary year in 2019, the UJS team and trustee board worked to build an alumni database of thousands of contacts. Additionally, a facebook group of 1000 engaged individuals has been successful in fostering dialogue and community among active alumni.

UJS is now looking for a trustee to help lead the expansion of its alumni-engagement capabilities with creative and dynamic programmes and networks. The purpose of this endeavor is to reconnect alumni, across all year groups, with UJS and J-Soc, and engage them in giving back so that future generations of Jewish students can gain from the same experiences as past.

UJS is committed to diversity amongst our Trustees, to reflect the diversity amongst our students.
