

LAUGHS FOR LEARNING

THURSDAY MARCH 24TH | YOSHI'S OAKLAND

FEATURING

J.R. Havlan is an 8-time Emmy Award winning comedy writer who wrote for *The Daily Show with Jon Stewart* for 18 years. During that time, J.R. also wrote for The Academy Awards twice, contributed to two New York Times best-selling books, and most importantly, got married and had two kids who have benefitted from a Montessori education. What will actually become of those two kids is still up in the air, but J.R. has high hopes.

Lisa Ann Walter is a respected actress and standup comedian, appearing on television in episodes of *Curb Your Enthusiasm*, *Nip/Tuck*, and *Watch Over Me*, and in feature-film releases *Bruce Almighty*, *Shall We Dance?*, and *War of the Worlds*; as well as at top comedy venues in New York City and nationwide. Considered one of the hottest female comics performing today, Walter's real-life role as a mother provides much of the material for her edgy live comedy act.
