DON'T try to become involved -
you're there to observe.

DO move away if ordered to do so.

DON'T give consent if police ask to search you.

DO comply with all police orders and
identify yourself if told to do so.

DON'T answer any questions unless you want to.

Remember to stay calm, be respectful and keep a safe distance.

It's not legal for police to order you to delete the footage.

Remember, while you must comply with police orders, you can
ask politely for a reason for the order.

If you're seeing something that doesn't look right - FILM IT.
