

STAR Voting Ballot

Score - Then - Automatic - Runoff

Give each candidate a score from 0-5.

You can give candidates the same scores if you don't have a preference. Those that you leave blank get a zero.

**Vote YES on STAR Voting:
A stellar voting method!**

- Honesty is the best strategy. Your ballot ideally shows your preferences and how much you like or dislike each candidate.
- Your vote is never wasted. If your favorites don't make it to the runoff your full vote goes to the finalist you preferred.
- STAR Voting is highly accurate at picking the best winner - the candidate with the most support overall.
- You don't have to worry about vote splitting. STAR Voting is still accurate with many candidates in the race.
- With STAR Voting we can skip the low turnout primary for local elections. Everyone is included and everyone has a voice.
- Every voter has an equal say. STAR Voting doesn't play favorites or give anyone an unfair advantage.
