Ballot Title or Measure Title STAR Voting for Lane County **County, City or District Name** Lane County

CAPTION: Amends Charter, adopts STAR (Score Then Automatic Runoff) voting method.

QUESTION: Shall Lane County amend Charter to adopt STAR (Score then Automatic Runoff) voting method for election of county officials?

SUMMARY: Passage of measure will amend Lane County Charter to implement STAR (Score Then Automatic Runoff) voting method, maintain non-partisan nature of local elections, and otherwise maintain current system for the election of County Commissioners.

In place of current primary and general elections, STAR voting occurs only at November election. The STAR method directs elector to score each candidate appearing on the ballot using a scale of zero to five, with zero the lowest score and five the highest score. For each office the sum total scores for each candidate are tallied. For the two candidates achieving the highest scores, ballots are tallied as follows: Each elector’s ballot is considered as cast for the candidate whom the elector scored higher. If an elector gives both candidates the same score, the ballot is considered a vote of no preference for either candidate. The candidate receiving the highest number of votes will be the winner.

The County Commission shall adopt an ordinance for administration of STAR system and rules for a tie-vote at any stage of the process.
