**Changes general election nomination processes:
provides single primary ballot; vote one or more; two advance**

Result of "Yes" Vote: "Yes" vote replaces general election nomination processes; all candidates listed on single primary ballot; vote one or more per office; two advance to general election.

Result of "No" Vote: "No" vote retains general election nomination processes: party primaries for major parties; separate primary ballots; one vote per office; multiple candidates on general election ballot.

Summary: Currently, each major party has a separate primary election ballot. Major party's registered voters nominate party's candidates; others' primary ballots include only nonpartisan candidates; all vote for one candidate per office. General election ballot may include multiple candidates per office: unaffiliated, major, minor party candidates. Measure replaces system for most partisan/all nonpartisan offices: federal (not Presidential), all state, county, city, district offices. Single primary ballot lists all candidates for each office. Voters choose one or more candidates per office, regardless of voter's, candidate's party affiliation. Only top two vote-getters per office proceed to general election; may be from same party. Primary, general election ballots must contain candidates' party registration/endorsements. Eligible person, regardless of party, may be selected to fill vacancy. Other provisions.
