Come along to hear about the union campaign 'Build a Better Future - Fight for Our Living Standards'.

We're calling for a secure retirement with decent pensions & superannuation; Medicare; secure jobs & penalty rates; quality education for all; public services owned by the people for the people; and, a fair go for all!

Unions NSW invites Inner West based union members to join our Call to Action. A great opportunity to meet other union members.

Inner West Unions is a new group of members who live and/or work in Burwood, Canada Bay, Concord, Croydon, Drummoyne, Five Dock, Homebush, Strathfield and Russell Lea.
