

Community Conversation

Why our Sundays Matter

Fr Brian Egan and St Ambrose Catholic Parish, Concord West would like to invite you and your family to a Community Conversation about the possible reduction of Sunday penalty rates for those in the retail and hospitality sectors.

Local people from a variety of our churches, sporting groups, unions, and community organisations will share their stories about the role of Sunday penalty rates in our family, work, worship and community lives.

This will be a night of respectful listening, learning and sharing. Local candidates and MPs will be invited to listen and respond to us.

All are welcome!

**Thursday 23rd
June 7:15pm for
7:30-9:00pm**

**St Ambrose
Catholic Church,
2 Burke St,
Concord West.**

**I'm saving our weekend by
supporting weekend penalty rates**
