

Authorised by G Bullock, Qld Branch Secretary

I commit to supporting Queensland ambulance officers in their Code One campaign by advocating for the following things:

- No privatisation of QAS patient transfer
- No privatisation of QAS communications
- Increase of net Ambulance numbers by 600 over three years
- Fixing the ambulance fatigue crisis
- Rostering for best-practice emergency dispatch and patient records
- Increased opportunities for skill maintenance and development
- Introduction of professional registration
- Introduction of professional pay rates and superannuation paid on total earnings
- Introduction of medical discharge pension - similar to Police
- Reinstatement of collective rights and maintenance of all current conditions
