

CLEAN SCHOOLS ARE ESSENTIAL TO A GREAT EDUCATION FOR OUR KIDS AND YOUNG PEOPLE.

The last cleaning contract cut

hrs

from cleaning in our school.

IN ORDER TO ENSURE A QUALITY EDUCATION FOR OUR STUDENTS, WE CAN'T HAVE ANY MORE CUTS. THAT'S WHY OUR COMMUNITY WANTS OUR SCHOOL TO BE A CLEAN SCHOOL SITE.

We believe:

- » Our kids and young people deserve clean, safe and hygienic school facilities for the best education.
- » There should be no more cuts to school cleaning hours. School cleaning hours have been cut under the current government contract. There is nothing left to cut except quality, safety and hygiene.
- » Schools should be cleaned by dedicated cleaners who know the schools and the community.
- » Cleaners should be well trained, have proper equipment, replaced when they're on leave and given the time to do a great job.
