

# HERE'S WHO YOU SUPPORT

THERE ARE MORE THAN **57,000** HOMELESS INDIVIDUALS IN L.A. COUNTY.

They have names:

Marva, Le'Vonna, Adrian, Barbara, Charles, Diana, and Louis.

But Andre isn't one of them – thanks to **you**.

Thanks to you, Andre got off the streets after 23 years and successfully completed the substance abuse program that helped break his decades-long addictions to drugs and alcohol. Thanks to **you**, Andre lives in a permanent and supportive home. Thanks to **you**, Andre has the fighting chance at a better future.
