

# Death and Taxes: A Five-Part Series about End of Life Care Planning

**What is it?** This event is a **free** online training for community members.

**Death and Taxes** is a five-part series presented by PCOA's End of Life Initiatives staff and is focused on topics including:

- What is End of Life Care Planning Anyway?
- What are Advance Directives and Where Do I Get Them?
- Which Advance Directive Forms are Right for Me?
- How Do I Pick a Person to Advocate for My Wishes?
- My Advance Directives are Done! Now What?

While 50% of us are likely to be unable to express our healthcare wishes at some time, nearly two-thirds of us have not completed end of life directives. This series will answer your questions and equip you to complete your advance directives.

**Join us online!**

**Wednesdays from March 31st to April 28th, (12:30 - 1pm)**

**The training will be held on Zoom.**

**Register:** <https://pcoadeathandtaxes.eventbrite.com>

**Questions:** Helpline, (520) 790-7262
