Donor Privacy Policy

United Way of Tucson and Southern Arizona (UWTSA) is committed to respecting the privacy of our donors. The types of donor information that UWTSA collects and maintains include but are not limited to the following: contact information: name, address, telephone number and email address; giving information; information on events attended; publications received and special requests for program information, as well as information provided by the donor in the form of comments and suggestions.

UWTSA uses donors' information to understand their interests in its mission of building a better community by uniting people, ideas and resources and to update them on the organization's plans and activities. It is shared with staff, board members, campaign cabinet members, volunteers and consultants only on a confidential "need-to-know" basis.

The organization also assures donors that their names and addresses will not be shared with any third party unless permission has been granted. Donors who do not wish to be included on a mailing list or contacted by UWTSA, should contact us to have their names removed. United Way of Tucson and Southern Arizona will not entertain the opportunity to sell, rent or lease donor contact information to other organizations. If you have comments or questions about the UWTSA's donor privacy policy, please email jgalow@unitedwaytucson.org or call (520) 903-3915. Thank you for supporting United Way.
